INDIAN DINING & COCKTAIL BAR

At Cricket Lounge, authenticity is at the heart of what we do. We pride ourselves on serving delicious, freshly prepared and unpretentious Indian food. Our authentic menu of curries, breads and other Indian favourites are created by marrying finest quality exotic spices with impeccably sourced British ingredients from local produce to create a unique and innovative modern Indian menu.

Every town in India has its own market that offers unique foods and regional specialities. While Indian recipes were traditionally passed from generation to generation, more recently the contribution and influence of Indian market kitchens and food bazaars has been immense, helping to shape modern Indian cuisine.

Our Chef(s) have crafted a stunning menu, picking signature dishes from all over India to give the taste of Mughals, the spice of Punjab, the succulent specialities of Southern India in an attempt to bring authentic Indian dishes closer to the people in London.
